Planning for 2011 Choir Reunion

As a part of its 50th year reunion in 2011, the Class of 1961 will again include a choir reunion for all who sang under Don Neuen and Marilyn Copeland Davidson. The class did this as a part of its 40th year reunion and it was a huge success. They expect this one to be even bigger and better. The tentative date is Saturday, June 25th 2011.

There will be a welcome brunch followed by a rehearsal with the entire A Cappella Choir. Then the group will divide into smaller ensembles that will perform that evening at the reunion dinner.

Come relive old memories! Renew friendships with friends from various classes! Make music again with Don and Marilyn, who were such an inspiration to us all at Shortridge! If you are not yet on the choir's email list, please contact Wanda Johnson Jacobs at: wljacobs@embarqmail.com.

Renovated second floor library has been used by middle school for over a year.
